

Following is the General **Procedure for Registration** under Batteries Management Handling Rules, 2001

- Registration with State Pollution Control Board for five years
- Partner/Dealer should submit details as per **Form IV** (Form attached for your reference) with a **covering letter**
- **Partner/Dealer must get the Form IV duly receipted/acknowledged at Pollution Control Office**
- Registration is considered as deemed registered if not objected to within thirty days.
- Registration granted to the dealer cannot be -cancelled unless he has been given a reasonable opportunity of hearing;
- The dealer can also file an appeal against any order of suspension or cancellation or refusal of registration passed by the Member-Secretary of the State Pollution Control Board or any other officer designated by the State Pollution Control Board. The appeal shall be in writing and shall be accompanied with a copy of the order appealed against and shall be made within period of thirty days from the date of passing of the order."
